Trip fees:

It is possible to book one or more trips in advance.

Payment is due a week before the scheduled trip to the above referred bank account.

Cancellation is possible until the set deadline.

Any changes to member's booking, VIC ski club committee must be informed immediately.

If a member cancels after the cancellation deadline, a substitute (preferably someone of the same sex, due to room allocations) must be found by the member him- or herself which is to be communicated to the VIC ski club committee, otherwise the payment will be forfeited.

Policy on children:

Although we welcome children and encourage families to attend our trips, we do not provide children-only ski instruction.

Our groups are mixed, therefore we treat children and adults alike.

Our instructors recommend that children under 4 years of age should not be enrolled in classes and skiing instruction owing to the physicality of the sport and the need to be able to take instructions.

Ideally, children who join us should already have some skiing experience, in order to be able to enjoy the experience fully.

Children under 14 years of age must be accompanied by their parents during the skiing lessons.

Cancellation of membership:

VIC ski club committee reserves the right to terminate a participant's membership with written notice at any time.
